Experience

08/2025 – 08/2026
Rockford, IL

Head of Marketing
Hemut

- Built the marketing department's internal systems from scratch and executed integrated marketing campaigns across social media, driving platforms to 16,000 followers in 5 weeks and earning 4.5M+ views.
- Generated leads that produced $500,000+ in potential revenue, directly supporting customer acquisition goals.
- Directed a team of 8 creatives, overseeing go-to-market initiatives, social media campaigns, brand storytelling, and creative asset development.
- Managed campaign timelines, budgets, and deliverables across multiple product lines, ensuring alignment with organizational priorities.
- Conducted market and competitive research to identify target audiences, analyze competitor activities, and translate insights into actionable marketing recommendations.
- Analyzed and reported on marketing performance metrics and KPIs, identifying optimization opportunities and presenting findings to leadership.
- Collaborated with cross-functional teams on branding initiatives including logo design and website content development.

08/2024 – 10/2025
Lake Geneva, WI

Assistant and Lead Editor
Premio Media

- Managed projects end-to-end through multiple client revisions, coordinating timelines and deliverables to consistently meet deadlines.
- Collaborated with external clients and internal stakeholders to produce short-form documentary pieces, animation, and promotional content aligned with brand objectives.
- Prioritized tasks across simultaneous projects in a fast-paced production environment, ensuring quality and on-time delivery.
- Applied professional film and television workflows and industry-standard software to deliver the highest quality video output for each client.

05/2025 – 08/2026
Iron River, MI

Camp Media Intern
Covenant Point Bible Camp

- Managed all media for the camp's 100-year celebration, including digital archival, promotional content creation, and social media management throughout the year.
- Supported the dining hall fundraising campaign, contributing to the $2.6M donation goal through targeted multimedia content and audience engagement.
- Collaborated with senior colleagues to develop multimedia campaigns, ensuring consistent brand messaging across all customer touchpoints.

Experience

- Served as photographer, videographer, counselor, and trip guide, representing the organization at events and ensuring effective community engagement.
